

Ring Size Measurement Guide

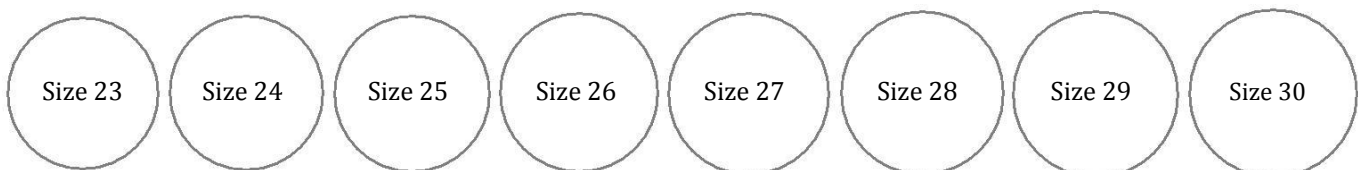

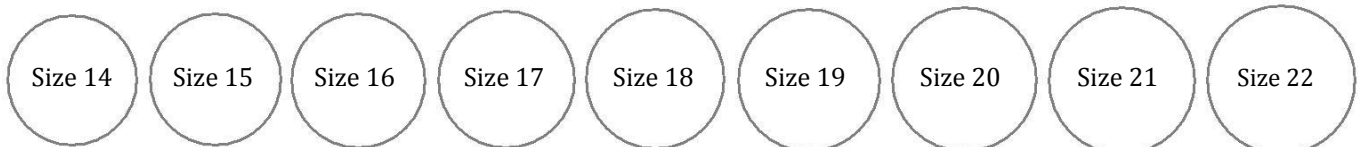

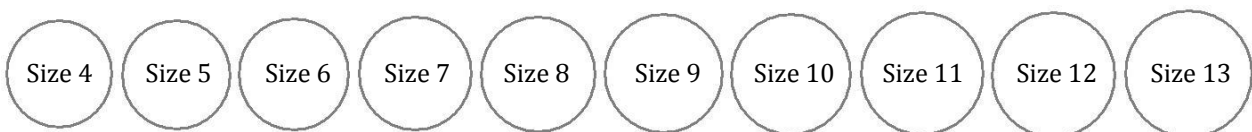

Confirm Printed Paper Size

- 1. Prior to printing**, ensure that Page scale is set to "None" on your printing dialog box.
- 2. Measure the bar on the left.** It must be exactly 1 inch or 30 mm long. Alternatively, place a Credit/Debit Card where indicated. The card should fit completely over the image so that all lines are covered without card hanging over any edges.

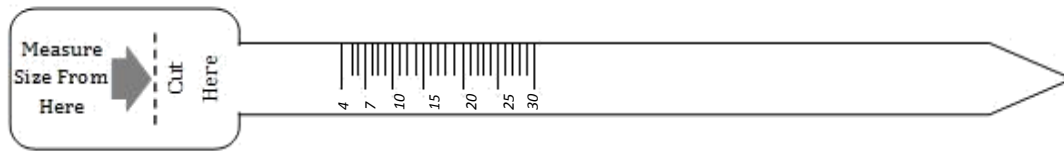

Method A: Measure Current Ring

1. Select a ring that properly fits the intended finger.
2. Place the ring over the circles below, matching the inside edge of the ring to the circle nearest in size.
3. If the ring falls between two sizes, order the larger size.

Method B: Measure Your Finger

1. Carefully cut out the strip from above and cut a slit along the dotted line.
2. Snugly wrap it around the base of the finger that you wish to measure.
3. Note down the number that comes out closest to the slit – this is your ring size.
